

S **ENE**
Extrusão de Alumínio LTDA.

CATALOGO GERAL DE FERRAMENTAS

Versão 2019.01

Localizada em Sorocaba, um grande polo industrial, a SENE Extrusão de Alumínio, se encontra instalada na Alameda Itaporanga, 935 - Jardim Novo , teve seu início em 12 de agosto de 2011. Pouco mais de 7 anos no mercado.

A SENE Extrusão de Alumínio tornou-se uma empresa conceituada pela qualidade dos seus produtos, atendimento humanizado e excelente metodologia de gerenciamento interno. Trabalha com tecnologia de ponta com modernos maquinários no segmento de Extrusão de Alumínio.

Entretanto devemos ressaltar que foi inicialmente fundada em 01 de março de 2007, a qual era denominada como FNF - Extrusão De Alumínio e situada na Av. Izabel Ferreira Coelho - Jardim Maria Lucia na cidade de Votorantim – SP.

Sua mudança de nome e endereço veio devido a mudanças feitas na diretoria da empresa, sempre com intuito de melhorar e aprimorar os serviços.

Atuando no mercado de alumínio com a produção principal de perfis da linha moveleira, porém atendendo também os setores da construção civil, industrial e vidraçarias.

Atendendo também aos clientes com suas necessidades específicas, desenvolvendo e produzindo produtos de exclusivos de acordo com o solicitado pelo cliente, sendo ele de pequeno, médio ou grande porte.

A Sene Extrusão de Alumínio se preocupa com a melhoria continua de seus produtos e investe em mão de obra qualificada e experiente. Contando com uma equipe eficiente de 13 funcionários em sua linha de produção e 5 funcionários administrativos, totalizando uma equipe de 18 funcionários engajados e dedicados.

Contando atualmente com duas prensas de 4" e uma capacidade de produção mensal de 65 toneladas de alumínio. Onde visam sempre o melhor atendimento ao cliente e qualidade do produto.

APRESENTAÇÃO

NÓS VAMOS MAIS LONGE!!

A SENE, comprometida com a satisfação de seus clientes e consumidores, tem como responsabilidade fornecer serviços e produtos seguros que atendam as necessidades dos consumidores, comprometendo-se com a melhoria contínua da Gestão de Controle de Qualidade e Segurança acima de tudo.

Todo processo de extrusão passa por cuidados especiais, desde a chegada da matéria-prima até a finalização do processo. Todos os produtos são cuidadosamente manuseados e armazenados até a entrega para o cliente.

MISSÃO

Ampliar as opções em produtos oferecidos, manter o padrão de qualidade e atender a necessidade dos clientes com excelência são os objetivos da SENE.

VALORES

- Excelência no atendimento
- Compromisso com os resultados;
- Competência como ponto de partida para desenvolvimento do produto;
- Transparência nos negócios;
- Busca pela qualidade com mão de obra qualificada;
- Respeito ao Meio Ambiente.
